REFERENCE.

Submitted to the Government. 26.

The total service put in by the late peon in the department is 10 years, 1 month and 12 days of which the permanent service is 9 years, 9 months and 1 day. According to rule 6 of the Madras Compassionate Gratuity Rules, 1932, a gratuity shall not ordinarily be granted where the deceased Government servant had rendered less than ten years permanent service. In the case of this peon, the perma service rendered by him falls short of the limit of ten years only about three months. The Board considers that the condition of the widow with her young children is destitute and deserves special consideration. It, therefore, recommends that a gratuity of Rs.75 (Seventy five only) payable at the Bellary District Treasury

may be granted to the widow of the late peon.

Subject.-- Pension - compassionate gratuity - petition of Choti Bai widow of late Excise peon, Thulasiram, Bellary circle - submitted.

Ref.-

I submit herewith the petition received from Choti Bai widow of late Excise peon Thulasiram of the Bellary circle praying for grant of compassionate gratuity.

2. Late Excise peon Thulasiram entered service in this Department as an acting peon on 15-2-28. He was confirmed on 26-6-28. He died on 26-3-38 after putting in a permanent service of 9 years 9 months and 1 day out of a total service of 10 years 1 month and 12 days. The acting service of the peon from 15-2-28 to 25-6-28 also counts for pension. Thus the entire service of the late peon i.e. 10 years 1 month and 12 days was qualifying for pension. He left behind him the following members of his family.

1. his wife aged 30 years
2. a daughter aged 8 years and
3. two sons aged 4 and 1 year respectively.

3. The Revenue authorities enquired into the financial condition of the late peon and his family. The following facts emerge from the enquiry :--

i. The late peon has left a small house in Cowl Bazaar worth about Rs.50 The widow is residing in it with her children. He did not leave behind him any other immovable or movable property. He did not insure his life in any of the insurance Companies nor did he contribute to G.P.F. or any other fund.

(ii) The only nearest relative of the petitioner is the late peon's brother Jalu Rao. He is employed as a peon in the office of the Deputy Director of Agriculture, Bellary. He has expressed his inability to support the widow and her children as his pay is only Rs.15 and that it is hardly sufficient to maintain his family consisting of himself, his wife and three sons and a daughter.

(iii)

To

The Assistant Commissioner of Excise,

Bellary Division, Bellari.

Sir,

I, Choti Bai, the widow of late peon No.185 Thulasiram, beg to represent the following few lines for your kind consideration and favourable orders.

2. My husband was entertained in the Department with effect from 15-2-28 in Your D.Dis.No.102/38 dated 7-2-28. Subsequently he was confirmed as peon with effect from 26-6-28 in your D.Dis.472/28 dated 27-6-28.

3. My husband died on the night of 20th March 1938 at the General Hospital Bellary leaving behind him a daughter aged 7 years, a son aged 4 and another son of one year and myself. There are none-else to look after the Family of the deceased.

4. The circumstances which accilirated his premature death are as follows: He was a strong, sturdy young man of 34 years. In December 1937 he was deputed for the vigilence duty to watch the Ganja crop at Nandyal. He returned from Nandyal after serving for a full term of three months, with broken health. His continuance on night vigilence for a period of three months shattered his health completely, with the result that he came with fever on, and was admitted into the Hospital on 20-3-38; but sucumbed to the decease he contracted at Nandyal on the 20th March 1938 leaving four souls behind him. His funerals were performed on 27-3-38 and subsequent religious rites which lasted till 7th April 1938 have costed me a sum of Rs.60/- I have incurred the debt of the above amount to meet the expenses which were inevitable. My husband gave his life for the crown, and considering the circumstances

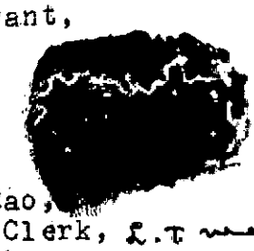
which brought his premature death, I pray that a family pension may be granted to me, and thus protect my young children as a special case. If my humble request is not considered I beg to request that I may oe granted atleast the compassionate allowances, and the incidental expenses incurred for his funerals etc.

For which act of kindness I shall ever feel grateful.

I beg to remain,

Sir,

Your most obedient Servant,



Sd. Choti Bai,

C/O, C.Nagoji Rao,
Magisterial Head Clerk,
Collectorate, Bellary.

Instructions for filling up Form No. F.R. 9-A.

1. The account is to be maintained in terms of leave on average pay. For this purpose, actual periods of leave taken on half or quarter average pay as entered in column 13 should be divided by two and posted in column 14.

2. In the case of officers who were subject to the Civil Service Regulations leave rules before they elected the Fundamental Rules, the account should commence with an opening entry in columns 4, 5, 6, 7, 8, 11, 13, 14, 15, 16, 17 and 18. The words 'Due on (date of coming under the Fundamental Rules)' should be written across columns 1, 2 and 3 and against these words credit under Rule 77 (*b*) (*ii*) (1) should be given in column 4 and column 6 and that under Rule 77 (*b*) (*ii*) (2) and Rule 77 (*e*) in column 5 and column 7 while debit for commuted furlough taken under the old leave rules should be given in column 11 and that under Rule 78, Note (2) (*i*) (*a*), in column 13, one half of the latter being entered in column 14. The sum total of the entries in columns 6 and 7 and in columns 11 and 14 should be entered in columns 8 and 15 respectively. The difference between the entries in columns 8 and 15 should be entered in column 18 and the entry in column 4 or 6 should be repeated in column 16 while the entry in column 5 or 7 minus the sum total of the entries in columns 11 and 14 should be shown in column 17.

3. When a Government servant applies for leave, columns 1 to 8 should be filled up. Columns 1, 2 and 3 should show the Government served under and the period of duty up to the date preceding that on which the Government servant intends to go on leave, and columns 4 and 5 should each show $\frac{1}{11}$th of this period (but see Note 2 below), the sum total of the two entries representing the period of leave (*i.e.*, $\frac{2}{11}$ths of duty) earned under Rule 77 (*b*) (*ii*) (3). To the new entry in column 4 should be added the last entry in column 16 and the resultant figure should be posted in column 6; similarly to the new entry in column 5 should be added the last entry in column 17 and the resultant figure should be posted in column 7. The total of the entries in columns 6 and 7 will be shown in column 8.

When columns 1 to 8 have been posted, column 8 will show the *maximum* amount of leave which may be granted *in terms of leave on average pay* [but see Rule 81 (*d*)] to a Government servant on the date on which he intends to go on leave. The *maximum* amount of leave *on average pay* which may be granted on that date with medical certificate or out of India and Ceylon will be the sum total of the last entry in column 6 and the unspent balance of 'one year' limited to 8 months at a time, provided this sum total is covered by the period entered in column 8; in the case of leave in India or Ceylon without medical certificate, the maximum will be the last entry in column 6, limited to 4 months at a time. The limits of 8 and 4 months may be exceeded as provided in the note to Fundamental Rule 81 (*b*).

4. When a Government servant returns from leave, columns 9 to 18 should be filled up. The period of leave taken on average pay should be entered in columns 9, 10 and 11, that taken on medical certificate or spent elsewhere than in India or Ceylon should be entered in column 11 till the limit of "one year" is reached and thereafter in column 10. The actual periods of leave on half or quarter average pay (together with leave on subsistence grant under the note to Fundamental Rule 88) and overstayal of leave (vide Fundamental Rule 73) should be entered in column 13 and one half of it in column 14.

Note 1.—Leave on average pay taken under the Fundamental Rules in India without medical certificate in excess of the last entry in column 6 before the deletion of '*plus* one year' from Rule 81 (*b*) (*ii*) should be entered in column 11.

Note 2.—If the leave taken exceeds the amount at credit, the excess representing leave not due but granted under Rule 81 (*a*) (*i*) and (*ii*) should be shown in red ink in column 17.

5. The total period of leave in terms of leave on average pay taken in a Government servant's whole service as entered in column 15 should not exceed the privilege leave credited to him in column 4 on his coming under the Fundamental Rules *plus* all periods of leave subsequently entered in that column *plus* $2\frac{1}{2}$ years.

6. When a Government servant is transferred to service under another Government, a separate account should be opened in this form for showing the leave earned under that Government and the leave the cost of which is debited to that Government. This account will be in addition to the main leave account which must be a complete record of all leave earned and taken under these rules throughout his service.

Note 1.—If during the period of duty prior to a Government servant's going on leave he has served under two or more Governments, the period of duty and the leave earned under each Government should be shown in separate lines in columns 1 to 5 and the sum total of the new entries in column 4 and the last entry in column 16 should be posted in column 6 and of those in column 5 and the last entry in column 17 in column 7, the total of the entries in columns 6 and 7 being shown in column 8.

Note 2.—The sum total of the entries in column 5, inclusive of the opening entry mentioned in instruction No. 2, should not exceed $2\frac{1}{2}$ years [Rule 81 (*a*) (*ii*)], and no entry should be made in this column when this limit of $2\frac{1}{2}$ years is reached.
